

Dundas Valley 50-Year Vision and Strategy | 2008-2058

A community oriented strategy with a focus on preserving and enhancing the unique, culture, charm, and environment of the Dundas Valley area.

Protect and Enhance Dundas Valley Lands

Goal: Promote sustainable passive recreational opportunities with the Valley's green spaces

Strategic Direction

- **Create a Dundas Valley Trails Master Plan**

Action

- **Develop a trail system or bike system to enable easier access to the Dundas Valley**

For the Dundas Valley 50-Year Vision and Strategy to be realized and its actions fulfilled the community needs to take on a leadership role.
