

Dundas Valley 50-Year Vision and Strategy | 2008-2058

A community oriented strategy with a focus on preserving and enhancing the unique, culture, charm, and environment of the Dundas Valley area.

Enhancing the Economic Sustainability and Vibrancy of Dundas Valley Communities

Goal: Ensure pedestrian, bicycle, and transit friendly Valley communities

Strategic Direction

- Develop a long-term sustainable transportation plan for the Valley

Actions

- **Develop and implement strategies and plans to achieve pedestrian and bicycle friendly communities within the City of Hamilton's Transportation Master Plan processes for Dundas and Ancaster**
- **Perform traffic surveys to find problem areas**
- **Creation of 'no car zones' in the short term (on conservation lands)**
- **In the long term, contemplate limiting access to automobiles and providing transit accessibility to conservation lands**
- **Incorporate bike lanes as a requirement if a road is constructed or widened**
- **Implement wheeled trains or trolleys on rail trail or within conservation lands for transportation**

For the Dundas Valley 50-Year Vision and Strategy to be realized and its actions fulfilled the community needs to take on a leadership role.
