## **July 6 & 7: Going Green!**

Green is good! Explore the wonders of the Dundas Valley while learning how to have a small ecological impact. We'll leave nothing but our footprints and take nothing but photos.

## **July 20 & 21: Survival Skills**

Think you have what it takes to survive in the woods? Learn new skills - build a shelter, discover how to make a fire without matches, test your navigation skills! Find out how animals survive on a daily basis.

## **July 27 & 28: Animal Planet**

Even the most secretive animals leave behind a trail of evidence. Discover ways to interpret the clues and signs they leave behind.

## **August 10 & 11: Wild About Water**

Come explore the world of water! Investigate the ponds and streams and discover how water is an important lifeline for all living things.

## **August 17 & 18: Dundas Valley - A Place to Call Home**

Discover what a COOL place the Dundas Valley is in the summer! Uncover clues to creatures big and small that make the Dundas Valley their home. Listen for tree frogs, search for salamanders, play nature games and take home a craft at the end of the day.
