

**Dundas Valley
50-Year Vision
and Strategy |
2008-2058**

**A community
oriented
strategy with a
focus on
preserving and
enhancing the
unique, culture,
charm, and
environment of
the Dundas
Valley area.**

Protect and Enhance Dundas Valley Lands

**Goal: Protect and enhance the
valley's ecology and natural areas**

Strategic Direction

- **Recognize, protect, and connect urban forest areas in surrounding communities**

Actions

- **Encourage tree planting and design/promote gardening plots**
- **Take part in stewardship for urban green spaces and support this through the vision**

For the Dundas Valley 50-Year Vision and Strategy to be realized and its actions fulfilled the community needs to take on a leadership role.
