

Dundas Valley 50-Year Vision and Strategy | 2008-2058

A community oriented strategy with a focus on preserving and enhancing the unique, culture, charm, and environment of the Dundas Valley area.

Protect and Enhance Dundas Valley Lands

Goal: Maintain and protect the Valley's cultural heritage and historical features

Strategic Direction

- **Preserve the small-town atmosphere of Dundas Valley**

This is taken from the original strategic direction which states:

Preserve the small-town atmosphere of Dundas Valley communities

Actions

- **Promote village atmosphere through streetscape and urban design**
- **Conserve green spaces to protect small-town/village atmosphere**

For the Dundas Valley 50-Year Vision and Strategy to be realized and its actions fulfilled the community needs to take on a leadership role.
