Dundas Valley 50-Year Vision and Strategy | 2008-2058

A community oriented strategy with a focus on preserving and enhancing the unique, culture, charm, and environment of the Dundas Valley area.

## Protect and Enhance Dundas Valley Lands

Goal: Maintain and protect the Valley's cultural heritage and historical features

## **Strategic Direction**

 Recognize the rich history of Aboriginal people and early settlers within the Valley

## **Actions**

- For areas outside of HCA properties, educate the public about cultural heritage features of the Dundas Valley, including the indigenous trails (develop program to generate awareness)
- Provide guided tours and programs to generate and create awareness of culture and history
- Identify native portage trail running through the valley Link Cootes Paradise with the Grand River (ancient aboriginal trails)
- Implement heritage conservation guidelines
- Recognize and conserve heritage sites on HCA properties and conduct study to inventory and assess the status of resources/sites and develop action plans
- Develop heritage conservation guidelines
- Foster appreciation of heritage to all age groups through education programs, photo and art contests, etc.
- Affix plaques in prominent places recognizing historical sites (i.e. Native history, Governor's Rd., etc.)

For the Dundas Valley 50-Year Vision and Strategy to be realized and its actions fulfilled the community needs to take on a leadership role.
