**8. Subdivision Revision and Clearance Fees** will be paid directly to the HCA and must be paid prior to issuance of revised draft conditions or the final HCA clearance letter. A draft plan modification fee will be applicable to developer driven amendments to a subdivision or condominium application.

**9. Resubmission Fees** will be charged directly to the applicant for the review of technical studies and plans, drawings, models, etc., beyond the first submission and two resubmissions. A fee will be charged for each resubmission and will be based on total staff review time at the hourly review rate charged by the HCA.
