OUTDOOR ENVIRONMENTAL EDUCATION PROGRAMS

The Dundas Valley Conservation Area is home to the Hamilton Conservation Authority's Outdoor Environmental Education Programs and has provided more than 500,000 students with the opportunity to explore and discover Hamilton's unique natural areas. HCA Outdoor Environmental Education programs encourage elementary and secondary students to get outside to experience and connect with the natural environment through hands-on, outdoor active programming. These year round programs are designed to assist students and teachers to develop sensitivity to the environment while meeting current curriculum guidelines.

For over 15 years, the Dundas Valley Conservation Area has hosted the Hamilton-Wentworth Regional Envirothon, an environmental competition for high school students.

Throughout the summer, HCA also offers Eco Adventure Day Camps, introducing young adventurers to activities that will help them get excited about the great outdoors!

For more information please contact the Education Coordinator at 905-627-1233 or [hcaenvd@conservationhamilton.ca](mailto:hcaenvd@conservationhamilton.ca)
