

WELCOME TO THE DUNDAS VALLEY

The Dundas Valley is one of Southern Ontario's most spectacular natural areas. Highlights of the 1200-hectare conservation area include lush forests, colourful meadows, cold water streams, stunning geological formations and an array of rare plants, birds and wildlife. The area is part of a large glacial valley that spreads into Lake Ontario.

The Dundas Valley is as rare and unique as any protected area in the world, but it is not in the middle of the wilderness; it is the heart of one of Canada's largest cities. It is eight times larger than New York's Central Park! The geographical area of the Valley is more than 6,000 acres (2,700ha), including Spencer Gorge and the Escarpment rim in Ancaster, Dundas, and Flamborough. Today, the Hamilton Conservation Authority protects 3,000 of those acres (1,200 hectares), thanks largely to the efforts of concerned citizens.

TRAIL CENTRE

A replica of a Victorian train station, the Dundas Valley Trail Centre is the hub of the Valley's trail network. The Trail Centre has washrooms, interpretive displays, brochures and maps detailing the Dundas Valley.

THE TRAIL SYSTEM

A 40 kilometre trail system developed and maintained by HCA and sections of the world famous Bruce Trail, provide access to almost every part of the Dundas Valley. The trail network is organized around three major trails: The Main Loop Trail, The Bruce Trail, and the 32 kilometre Hamilton to Brantford Rail Trail.

BT Bruce Trail

A section of the Bruce Trail travels through the Dundas Valley. Canada's oldest and longest marked footpath, it spans more than 885 km of main trail and 400 km of associated side trails. No cycling is permitted on the Bruce Trail. For more information, visit: brucetrail.org

X Hamilton to Brantford Rail Trail

Canada's first inter-urban trail, and one of the region's most important walking, cycling and equestrian routes is part of the Trans Canada Trail. Links to Paris and Cambridge extend the Trail to 80 kilometres.

MAIN LOOP Main Loop Trail - 3.4 km loop

The Main Loop Trail is a journey through a mature deciduous forest, hemlock groves, stream valleys, an old apple orchard and open meadow. Points of interest also include the Trail Centre, Hermitage Ruins, Sulphur Spring and Hermitage Cascade. Allow 90 minutes.

MONARCH Monarch Trail - 5.1 km one way

Branching off the Main Loop Trail at the top of the Merrick orchard, this trail leads through mature deciduous forests, meadows, and rolling hills. The top of Groundhog Hill provides a panoramic view of the Valley. Allow 3.5 hours.

SHARE THE TRAIL

The trail system is open to hikers, dog-walkers, joggers, cyclists, equestrians and cross-country skiers. Safety and enjoyment among such a diverse group begins with every individual. Being cautious and courteous helps ensure a great trail experience for everyone.

Note: Because of rugged terrain, Dundas Valley trails have limited accessibility. Wheelchair and scooter users are encouraged to use the Rail Trail.

HCA TRAIL ETIQUETTE

- Stay on marked designated trails. There are many rare and sensitive plants that can be easily damaged or destroyed.
- Respect and share the trail with other users.
- Watch for and obey all trail closure signs.
- Respect neighbouring landowners by staying off private property, maintaining privacy for landowners and avoiding excessive noise.
- Bicycles are not permitted on the Bruce Trail
- Alcohol is not permitted at any time.
- Pack out what you pack in. Please leave our natural areas clean.
- The Niagara Escarpment is full of wonders and can also be dangerous. To enjoy this area safely, please stay on marked trails and behind all fences and barriers. Keep children within arms reach and away from cliff and escarpment edges.

PETS

All pets in the Dundas Valley Conservation Area MUST be on a leash at all times. Conservation Authority regulations require pets to be on leash, for the safety of the wildlife of the area, and also for the safety of school groups that are in the Dundas Valley for Environmental Education programs. Remove dog waste from the trail and dispose of it in the garbage.

LOCATION, CONTACT & HCA PASS

Dundas Valley Conservation Area
650 Governor's Road, Dundas, ON L9H 5E3

NIAGARA ESCARPMENT WORLD BIOSPHERE

The Niagara Escarpment is an internationally recognized landmark and is the cornerstone of Ontario's Greenbelt. A landscape of rich biodiversity, home to hundreds of Ontario's Species at Risk, vital watersheds, agricultural areas and 450 million year old geological history. Designated by the United Nations Educational, Scientific and Cultural Organization (UNESCO), the Niagara Escarpment is a treasure to protect for future generations.

CAROLINIAN FOREST

The Dundas Valley is part of a once vast and untouched deciduous forest stretching from Southern Ontario to the Carolinas, known as the Carolinian Forest. This area accounts for only one percent of Canada's geographical area, but is home to 25 percent of Canada's population, and home to one-third of Canada's endangered species. The Dundas Valley is one of 10 nodal parks along the Escarpment, and is home to many species of plants and animals, 55 of which are rare or endangered.

THE HERMITAGE AND GATEHOUSE MUSEUM

The Hermitage, located just off the Main Loop Trail, is a popular spot to visit while in the area. The Ruins were restored and reopened to the public in 2016, and are a beautiful and picturesque place to stop while on a hike.

BRUCE DUNCAN TEACHING GARDEN

The Bruce Duncan Wildlife Teaching Garden is a place where school children and visitors are able to see, touch and observe the changes over time to natural displays.

The garden assists with Ontario curriculum-based outdoor environmental education programs, and are also of interest to the casual visitor. The garden is wheelchair accessible and features interpretive panels that explain what can be seen in the garden, as well as information about important natural features elsewhere in the Dundas Valley, and wildlife species that may be seen in the area.

HCA MEMBERSHIP PASS

The Dundas Valley Conservation Area relies entirely on donations and fees to operate. Membership passes provide funds to keep the trails open and the facilities maintained. The HCA Membership Pass allows year round access to HCA conservation areas and Westfield Heritage Village. Most of all, it comes with the knowledge that you are helping to support conservation in your own backyard. Purchase yours today at: www.conservationhamilton.ca

OUTDOOR ENVIRONMENTAL EDUCATION PROGRAMS

The Dundas Valley Conservation Area is home to the Hamilton Conservation Authority's Outdoor Environmental Education Programs and has provided more than 500,000 students with the opportunity to explore and discover Hamilton's unique natural areas. HCA Outdoor Environmental Education programs encourage elementary and secondary students to get outside to experience and connect with the natural environment through hands-on, outdoor active programming. These year round programs are designed to assist students and teachers to develop sensitivity to the environment while meeting current curriculum guidelines.

Throughout the summer, HCA also offers Summer camps introducing young adventurers to activities that will help them get excited about the great outdoors!

For more information please contact the Education Staff at 905-690-3371 or hcaenvd@conservationhamilton.ca
