SUPPORT CONSERVATION

Your membership dollars play a crucial role in protecting, preserving, and restoring ecosystems and heritage sites within the HCA watershed. A portion of your membership fee goes to land acquisition. By becoming an HCA Member, you will enjoy the benefits of the great outdoors, and safeguarding these areas for future generations.

SUPPORT HEALTH

Nature is as important to human health and wellness as food, water and exercise. The mental and physical health benefits of green spaces have been proven to: reduce stress, increase energy, boost immunity, assist with weight loss and fitness and also reduce risks of diabetes, heart attacks, and cancer.

The HCA Membership Pass allows you to take full advantage of all these health benefits, as well as becoming a huge part of the environmental work underway in Hamilton.

LEGACY MEMBERSHIP PASS  
GIVE TODAY. GROW TOMORROW.

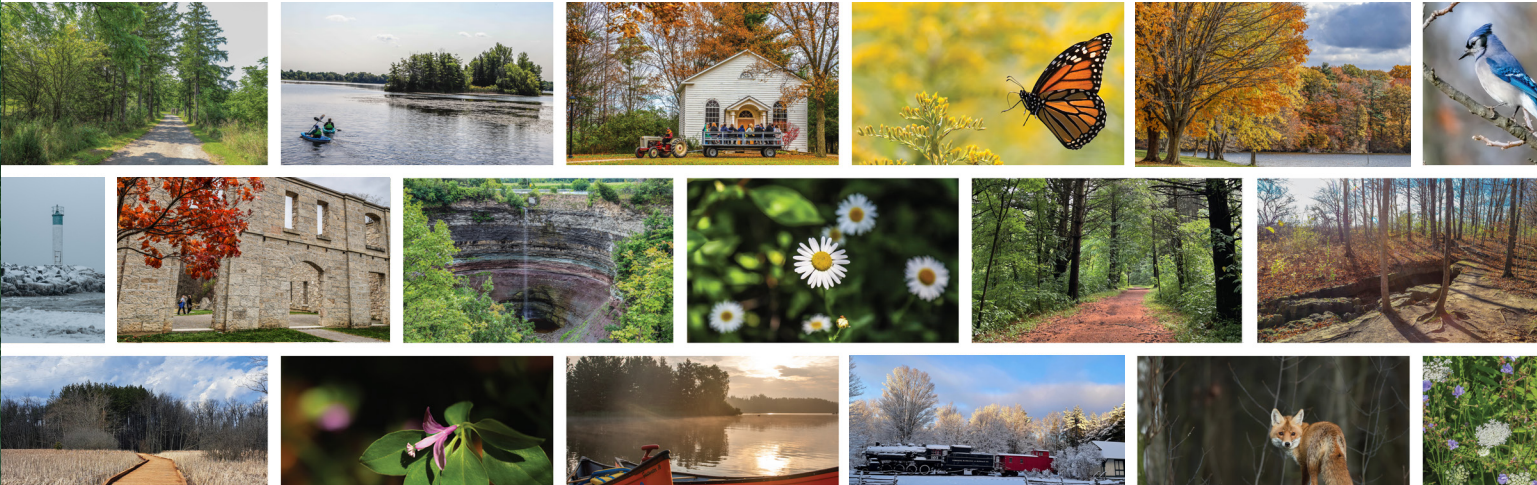

When you purchase the HCA Legacy Membership Pass, you're not just exploring—you're helping to protect the land you love, forever.

This special pass includes all the benefits of a regular membership, plus an added donation that supports our land acquisition fund.

From the peaceful forests of Dundas Valley and stunning vistas of Spencer Gorge, to the tranquil waters of Christie Lake and Valens Lake, Hamilton's conservation areas connect us to nature's wonder and resilience.

Your contribution helps grow and connect our protected areas, while also securing new green spaces like our emerging Saltfleet Conservation Area, creating more natural spaces for future generations to find their own connections to nature.
